

Oregon Pain Summit 2023

Pain 360: Unpacking the Pain Experience to Enhance Patient Autonomy

The Oregon Pain Summit will be offered In-person and virtually. The summit is fully facilitated by patients and patient advocates featuring internationally recognized speakers and local experts on the science of pain including:

Megan Doyal, MS, OTR/L, TPS, FPS	Lance McQuillan, MD	Mythili Ransdell, MD
Breanna Becker, PT/DPT	Michael Herman, PsyD	Kevin Cuccaro, DO
Matthew Burke, MD FRCPC	Jonathan Jones, MD	
Peter Stilwell, PhD	Morten Hoegh, MSC, PhD	

You can expect to learn from clinical experts in pain science and psychologically informed treatment. We hope to challenge beliefs and improve your understanding of the patient experience to better help your community. Equipped with this knowledge, you can feel more confident seeing patients and less anxious coming along side patients with chronic pain. This transformative summit will surround you with problem solving partners and clinicians looking to make a difference in building patient autonomy.
