

## Behavioral Health Technical Assistance – January/February 2020

Coordinated care organization (CCO) staff and Oregon Health Plan providers are invited to participate in technical assistance for behavioral health requirements in the 2020 CCO contracts. This series is hosted by the OHA Transformation Center.

**Background:** The 2020 CCO contracts contain a variety of new and updated requirements regarding behavioral health integration, including a focus on children’s behavioral health. The Transformation Center is working with subject matter experts to provide supports to CCOs in meeting these requirements. Additional opportunities are in development and will be posted to the Transformation Center website when they become available.

**Audience:** CCO behavioral health staff, behavioral health providers, primary care providers and other service providers, depending on webinar topic

**Contact:** If you have questions, please contact Summer Boslaugh ([summer.h.boslaugh@dhsoha.state.or.us](mailto:summer.h.boslaugh@dhsoha.state.or.us) or 503-753-9688)

Webinars will be recorded and available on the Transformation Center website, as well as at the registration links below: <https://www.oregon.gov/oha/HPA/dsi-tc/Pages/Behavioral-Health-TA.aspx>

Children’s System of Care Webinars	
<b>Friday, January 10, 1-2 p.m.</b>	<p><b>Local System of Care (SOC) 101</b>            Register here: <a href="https://attendee.gotowebinar.com/register/1584198747060457741">https://attendee.gotowebinar.com/register/1584198747060457741</a>            OHA behavioral health staff will provide an overview of System of Care (SOC) principles; Oregon’s local SOC governance structure; cross-sector collaboration to increase supports and services for youth and families and collecting and analyzing barriers; and opportunities for technical assistance and the role of the System of Care Institute (the technical assistance entity supporting Wraparound and System of Care development, implementation and sustainability). This webinar is targeted for CCOs that do not currently have SOC governance structures and do not currently employ a SOC coordinator, and individuals who are not familiar with SOC.</p>
<b>Monday, January 27, 11 a.m. – 12 p.m.</b>	<p><b>CCO 2.0 System of Care reporting requirements and deliverables</b>            Register here: <a href="https://attendee.gotowebinar.com/register/9177840564365191949">https://attendee.gotowebinar.com/register/9177840564365191949</a>            OHA behavioral health staff will provide an overview of System of Care reporting requirements and deliverables in the 2020 CCO contracts, templates and guidance for meeting these requirements, and additional opportunities for support to complete these requirements.</p>
Webinar Series: Early Childhood Mental Health in CCO 2.0	
<b>Tuesday, January 28, 1-2 p.m.</b>	<p><b>Early childhood mental health in CCO 2.0: Foundations and expectations</b>            Register here: <a href="https://attendee.gotowebinar.com/register/7295123714380073741">https://attendee.gotowebinar.com/register/7295123714380073741</a>            OHA behavioral health staff will provide an overview of new CCO contract requirements around early childhood mental health, foundational information regarding the importance of addressing mental health issues in early childhood, and the landscape of early childhood mental health in Oregon. This webinar is targeted for CCOs and their contracted clinics and behavioral health providers.</p>
<b>Tuesday, February 4, 1-2 p.m.</b>	<p><b>Evidence-based dyadic behavioral health treatments in Oregon: Information and strategies for CCOs to ensure access</b>            Register here: <a href="https://attendee.gotowebinar.com/register/1618955409126009869">https://attendee.gotowebinar.com/register/1618955409126009869</a>            OHA behavioral health staff will define and describe evidence based dyadic therapies for the early childhood population and suggest CCO-level strategies for ensuring access to these therapies and supporting provider networks in utilizing these therapies.</p>

<p><b>Tuesday, February 11, 1-2 p.m.</b></p>	<p><b>Evidence-based dyadic behavioral health treatments in Oregon: Strategies for clinics and providers to ensure access</b>  Register here: <a href="https://attendee.gotowebinar.com/register/8782403406458737165">https://attendee.gotowebinar.com/register/8782403406458737165</a>  OHA behavioral health staff will define and describe evidence based dyadic therapies for the early childhood population and suggest provider-level strategies for ensuring access to these therapies. This webinar is targeted for providers of primary care, behavioral health services, and early learning services including Early Intervention/Early Childhood Special Education.</p>
<p><b>Tuesday, February 18, 1-2 p.m.</b></p>	<p><b>Early childhood mental health assessment, billable diagnoses and reimbursement: Information and strategies for CCOs</b>  Register here: <a href="https://attendee.gotowebinar.com/register/1789513851849895949">https://attendee.gotowebinar.com/register/1789513851849895949</a>  OHA behavioral health staff will walk through expectations and resources to support CCOs in providing early childhood behavioral health services that are developmentally appropriate and reimbursable under the Oregon Health Plan.</p>
<p><b>Tuesday, February 25, 1-2 p.m.</b></p>	<p><b>Early childhood mental health assessment, diagnosis and reimbursement: Information for OHP providers and clinics</b>  Register here: <a href="https://attendee.gotowebinar.com/register/9042497280055680269">https://attendee.gotowebinar.com/register/9042497280055680269</a>  OHA behavioral health staff will walk through use of OHA-approved guidance documents and resources to aid providers with early childhood behavioral health assessment, diagnosis and procedural coding that is reimbursable under the Oregon Health Plan and developmentally appropriate.</p>
