Exempts receipts from medications administered or dispensed in a clinical setting other than hospital. Applies to tax years beginning on or after January 1, 2024.</p> <p>Takes effect on 91st day following adjournment sine die.</p> <p>EAP Notes</p> <p>Elana Lynn</p> <p>Betsy: TBD - what does OMA think? Health systems have made clear moves into infusion centers - do they also own "free standing" infusion centers? etc., and charge higher prices for that. Would this exempt that activity? Seems problematic.</p> <p>Exempts certain health care services from paying the corporate activity tax.</p>	Senate • Jan 14, 2023: Referred to Finance and Revenue.	Introduced
