

Family Physicians of Oregon

OREGON ACADEMY OF
FAMILY PHYSICIANS

MAKING HEALTH PRIMARY

Family Physicians of Oregon, the official publication of the Oregon Academy of Family Physicians. As a significant communication resource for public relations, legislative, and membership information.

- 95% of family physicians are members of the AFP
- Mailed and emailed to family physicians, residents, and students throughout the state.
- A digital archive published on the Academy's website provides additional readership opportunities.

WHY ADVERTISE HERE?

Journal publications are highly regarded as a credible and reliable source of information by family physicians. They offer valuable resources for products and services that are relevant to their practice and the effective operation of their offices. These publications accurately reach the decision-makers you need to connect with and demonstrate your support for the professional association.

Distinguish yourself in this competitive market!
